

DANIEL KINDLER

Student 5+ year programmer interested in the business of software

New York | Pittsburgh

EXPERIENCE

Founder

Dialog

New York, New York

Apr 2015 - Present

Created Dialog, a service that grants businesses the ability to receive text-messages, as well as charge customers over SMS.

Junior Software Developer

Dom & Tom

New York, New York

May 2014 - Aug 2014

Member of the iOS Development Team where I assisted in the development of apps such as Seventeen Magazine.

Software Engineering Intern

Qallect

New York, New York

Dec 2013 - Apr 2014

Assisted the project manager in the development of the Qallect iOS application. Qallect was an iPhone app that was designed to help friends make better collective decisions.

EDUCATION

University of Pittsburgh

Computer Science (Business Concentration)

Economics Minor

2014 - Present

GPA: 3.0

AWARDS

Smart Tag App Hackathon Powered by AT&T

AT&T

Nov 2014

Created an app that connected to SoundCloud and allowed people at an event to collectively decide what song should be played via a simple voting system.

LEADERSHIP

Academic Chair

Sigma Chi Fraternity, Beta Theta Chapter

Dec 2015 - Apr 2016

Created academic and career opportunities for the chapter by implementing programs that incentivized brothers to better their academic standing.

State President

New Jersey DECA

Apr 2012 - Apr 2013

DECA is a high school business organization that teaches students about marketing, finance, hospitality and entrepreneurship. While a high school senior I presided over the 7,000 members of the club, organizing conferences and leadership events.

SKILLS

iOS Development

Objective-C / Swift

Java

Ruby

Algorithms

Entrepreneurship
